Cash • Check • Charge

As you are surely aware, The Memphis Horticultural Society was founded over thirty-five years ago by a group of plant enthusiasts, nurserymen and horticulturists in the Memphis area. Today the Society enjoys a membership approaching two hundred with an average attendance of 100 of active and enthusiastic members with a goal of providing monthly educational and informative horticultural programming for all who may be interested.

In order to insure that the programs continue uninterrupted, the Society is embarking on a new way to raise funds for programming. March 7, 2017 is the inaugural date for what we plan on becoming the Memphis Horticultural Society's annual Rare Plant Auction.

Hope to see you there!
