

Master Gardener Scholarships Available for 2017

Graduating High School Seniors and College Students

The Memphis Area Master Gardeners Association is offering competitive \$2000.00 scholarships to graduating high school seniors and college level students interested in a career in agricultural, environmental sciences, horticultural, landscape and related fields of study. Students must be enrolled in agriculture, horticulture, environmental science programs or a related field of study and be involved in school clubs such as garden clubs, Future farmers of America, or Sierra Club at their school. The student applicant must be accepted to a college, university, or community college or currently enrolled in college.

Residents of Shelby County may apply.
